

Danny Glover, The Black West episode depicts the story of African Americans of the early western frontier of the late 19th century. The segment salutes the black cowboys of the western wilderness who fought alongside their Native American and white counterparts during the development of the frontier. The contributions of these nearly forgotten African-Americans are portrayed through realistic reenactments, including a special segment on cowboy Bill Pickett, one of the best rodeo performers of all time.

Mr. Speaker, Bill Miles' life's work is dedicated to exploring the entire African American Experience including the history, culture and achievements of African Americans from their arrival in America in the 16th century to their achievement as astronauts, aeronautical scientists, and engineers. Mr. Miles has won an Emmy Award, has been nominated for the Oscar, and was inducted into the Black Filmmaker's Hall of Fame. Among numerous other awards garnered both at home and abroad, he has received the Lifetime Achievement Award from the Association for Independent Video and Filmmakers, AIVF in acknowledgment of his outstanding contribution to the history of African American in the medium of film. I ask you and my colleagues to join me in a very special congressional salute to Harlem's Historian and Black Filmmaker William "Bill" Miles, a titan of a man who has documented the history and contributions of African Americans and the Black American Experience with film, a camera and a lens.

#### HONORING LOGAN'S CONSTRUCTION COMPANY FOR ITS COMMITMENT AND SERVICE TO THE COMMUNITY

#### HON. BENNIE G. THOMPSON

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 29, 2012

Mr. THOMPSON of Mississippi. Mr. Speaker, I rise today to honor a leader and innovator of the community, Mr. Melvin Logan, owner of Logan's Construction Company in Sharkey County, Mississippi. Logan Construction Company has been a thriving force in the community for more than thirty years.

Mr. Logan was born and raised in Rolling Fork, Mississippi to the late James and Thelma Logan. At an early age, Logan developed a passion for building things and working with his hands. After graduating from Alcorn State University and spending years perfecting his craft with a local contractor, Logan's dream became reality.

In 1976, at the age of twenty-six, Melvin opened Logan's Construction Company. Initially the primary focus of Logan Construction was renovation of properties until 1978 when Mr. Logan expanded his craft after being approached to build a house. After successfully tackling this challenge, Logan's Construction Company secured a surplus of contracts, becoming the number one builder of new homes and remodeling in the Sharkey County area.

Logan's attention to detail and quality workmanship has garnered him the reputation of being the community expert of helping customers with their desired projects from conception to completion.

Mr. Speaker, I ask my colleagues to join me in recognizing Logan's Construction Company

and Melvin Logan for his entrepreneurial spirit and continued dedication to serving the Sharkey County community.

#### JAMIE ZAPATA BORDER ENFORCEMENT SECURITY TASK FORCE ACT

SPEECH OF

#### HON. SHEILA JACKSON LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 27, 2012

Ms. JACKSON LEE of Texas. Mr. Speaker, I rise today to debate the Senate Amendment to H.R. 915, the "Jamie Zapata Border Enforcement Security Task Force Act," which amends the Homeland Security Act of 2002 to establish within the Department of Homeland Security (DHS) the Border Enforcement Security Task Force (BEST), which shall establish units to enhance border security by addressing and reducing border security threats and violence.

More specifically, this Border Enforcement Security Task Force will achieve its goal of border security enhancement by (1) facilitating collaboration among federal, state, local, tribal, and foreign law enforcement agencies to execute coordinated activities in furtherance of border security and homeland security; and (2) enhancing information-sharing, including the dissemination of homeland security information among such agencies.

As the Representative for the 18th Congressional District of Texas, I am deeply concerned about spill-over violence along the border between my state and Mexico. The recent increase in drug trafficking-related violence in Mexican cities, such as Juárez and Nuevo Laredo, is cause for concern, particularly in the neighboring U.S. cities of El Paso and Laredo, TX.

In fact, in 2010, the Department of Homeland Security (DHS) issued a safety alert to law enforcement officers in the El Paso area warning that drug trafficking organizations and associated gangs may target U.S. law enforcement.

The BEST program is currently administered by DHS, and involves information sharing and law-enforcement operations between personnel from federal, state, local, tribal, and foreign law-enforcement agencies to combat criminal activity near the United States borders.

There are currently 34 BEST units.

Since inception in June of 2005, these DHS-led task forces made 10,024 criminal arrests; 6,541 administrative arrests; 5,802 indictments; and 4,999 convictions.

They seized over 88,500 pounds of cocaine; 870,748 pounds of marijuana; 4,669 pounds of methamphetamine; 4,383 pounds of ecstasy; 1,404 pounds of heroin; 3,866 vehicles; 14,243 weapons; 2,920,155 rounds of ammunition; and in excess of \$111.8 million in U.S. currency and monetary instruments.

Additionally, BEST units have initiated approximately 8,490 investigations.

Jamie Zapata was a Homeland Security Investigations Special Agent from Brownsville, Texas who was killed in the line of duty on February 15, 2011 while serving on assignment in Mexico for United States Immigration and Customs Enforcement.

This bipartisan bill, named in Jamie Zapata's honor, seeks to enhance our nation's abilities to deal with the dangerous activities occurring near our borders and, hopefully, prevent the tragic deaths of more of our agents. These are men and women who put their lives on the line in order to protect our country's interests.

We know that this program works and has provided American citizens with improved border security and greater security throughout the United States.

I urge my colleagues to support the "Jamie Zapata Border Enforcement Security Task Force Act," which will ensure that our agents tasked with securing our border, who work under extremely perilous circumstances, are better protected through enhanced information sharing and greater collaboration between agencies.
